THIS WEEK IN GWENFO

Generosity
'GOD LOVES A CHEERFUL GIVER'
2 Corinthians 9:7

This has been our first full week back in school and we have all been busy getting used to our new classrooms and staff.

Thank you to families for your support in ensuring your children have super smart uniform and wear PE kit on the correct days.

Vicar Lyndon came to talk to us in worship about how we can look after ourselves and others. He set us a challenge of making our beds and keeping our rooms tidy!

Our cycle shed is getting busy - it is wonderful to see more families scooting and cycling to school!

SCHOOL DINNERS

When we return the dinner options will be from 'WEEK 3' on the Big Fresh menu

There are many services and organisations available in Cardiff and the Vale of Glamorgan that support children and young people with their emotional wellbeing.

Use the link above to find out about the specialist services offered by C&V UHB.

Different services can support the different needs you may have or the challenges you are facing – none are better than the other.

It's all about ensuring that children and young people are able to access the support they need – whether that be at their school, through their GP or a community organisation.

At school all children are supported in their health and wellbeing via class based activities, small group work and some individual sessions. If you feel your child needs extra support please do pop in for a chat.
