Tidy team – Tidy up games - keeping our Nursery community tidy

PE - hearts stickers / Feeling our heart beating

What keeps us healthy?

Outside games

Parachute

Football etc

Teamwork

Kind hands / kind words / kind feet

### **Autumn 1 – Who is in our community? What happens in Autumn?**

This half term we will be focussing on our personal & social behaviours. We will be settling into the Nursery routine and expectations. We will be completing our school Baseline. This was mentioned during the induction, and more details are in the powerpoint sent out. We will be carrying out this assessment through child-initiated play activities and talking about ourselves, our families and those that are special to us. We will be learning who is in our school community and visiting our community library. We will be learning about Autumn and will become 'Autumn Detectives', looking out for changes in our environment. This will involve going out on Autumn walks, collecting leaves, conkers and twigs, using our senses and recording what we can see, hear and smell! We will be learning about hedgehogs and what to 'hibernate' means. We will also be learning about Harvest time, what this is and what we can be 'thankful for'. We will be linking this to why it is important to share & care for others. We will be using Welsh greetings and reciting Welsh prayers daily. Da iawn!
