This week in Gwenfo

Our value this half term is **Perseverance**

We have had some sad news that the Farmers Market is no longer viable enough to run. Huge thanks to all who have supported it over the last year.

Huge thanks to Lily, Imogen and Rebecca in Y6 who came to ask if they could run a lunchtime club. They have designed a dance club for younger pupils. Every 2 weeks they plan to work with a different class for several lunchtimes. They have worked hard to plan routines, safe song choices and timetables. Well done and thank you!

Attendance emails will have been sent out to families where pupils attendance has dropped below 90%. This is a Welsh Government drive led by the Local Authority to ensure that children attend school as regularly as they can.

If you have not received any communication this means your child/ren's attendance is over 90%. Any queries over attendance please do chat to classteachers or pop to the office.

HELP!

Does anyone have any paving slabs we can use to pave an area in our Reception garden?

We would like to extend the path near the building and make the area less muddy.

If you can help please pop in for a chat!

On PE/Games days pupils can wear their PE Kit to school

Each class has two days where they wear kit apart from Nursery who only have one.

Our eco group would like to get out into the village to do some regular litter picking. Does anyone have a spare litter picker they would like to donate to us?

Does anyone have any old puddle suits, waterproofs or waterproof trousers? If so we would love to put them to good use! Please drop them off at the school office. Thank you!

Umbrellas

We kindly ask that children do not bring umbrellas into school. If umbrellas are needed for the journey, please ensure that these are taken home again as they are causing the cloakroom to become slippy and wet.

We are a NUT and KIWI FREE School.

Please ensure any food bought into does not contain nuts or kiwi due to severe allergies!

ATTENTION
PLEASE!

What happens when things go wrong at Gwenfo?

Parents always have the option to chat to classteachers daily - sometimes you may be asked to pop back later, or wait for a call as we have to be mindful of the duty of care to all of our children. A good time to speak to staff is at the end of the day after they have dismissed their class.

This is often when staff may ask to have a quick word with you.

Mornings are tricky as the school is filling with children and we need to ensure staff are where we plan them to be! All classes start the day straight away which is why being on time is so important. In the morning if you really do need to talk to someone then pop to the office and staff there will support you and work on how best to help.

In school we have some simple rules as seen on the next page - the expectation is that our whole community follows these rules as best we can and at an age appropriate level. This includes families, staff, Governors and visitors as well as all of our children.

GOLDEN RULE

TREAT OTHERS AS YOU WANT TO BE TREATED

BE READY

BE ON TIME AND READY TO LEARN

WEAR SCHOOL UNIFORM

BRING EVERYTHING YOU NEED TO SCHOOL

BE RESPECTFUL

LISTEN TO OTHERS AND EXPECT TO BE LISTENED TO

LOOK AFTER OUR BUILDING, OUTDOOR AREAS, EQUIPMENT AND DISPLAYS

REPRESENT GWENFO - BOTH IN AND OUT OF SCHOOL

BE RESPONSIBLE

BE SAFE IN SCHOOL, OUT OF SCHOOL AND ONLINE

BE IN THE RIGHT PLACE AT THE RIGHT TIME

REPORT ANY PROBLEMS TO AN ADULT

If you have ongoing concerns sometimes it helps us if you can pop them in writing as this means we can get a really clear idea of how to direct help to you.

We have a system of directing queries and concerns - typically via the class teacher, senior teachers, then Mr Bean as deputy head and then myself as Headteacher. This is to allow you to be supported at different levels and for you to escalate a concern to be supported by different members of staff if needed.

Complaints and concerns can also be taken direct to the Chair of Governors and a committee will review them - generally we would ask that school is given a chance to help you first.

Within school there are many ways we can support or help you and your children. This may be a tweak to their learning, some support for friendships or playtime, a chat with our cook if the worry is food related. A meeting with Mr Bean can be set up if the concern is around learning and additional needs.

For more serious incidences typically this is dealt with by our most senior staff. To be fair to anyone involved we need to consider evidence which may mean taking time to speak with children, staff or families. Often this take a little time. We will always try to be as open as possible with our families, however in terms of general data protection laws we cannot discuss the specific details of every concern or incident.

We understand this at times may be frustrating but all of our children deserve the right to know we will deal with issues as fairly and quickly as we can.

If you remain concerned following an incident or discussion with staff - you can of course escalate it via school staff and ultimately to the Governing Body.

Our first and foremost job is to keep our community safe and where things may go wrong we try to fix them quickly.

We have a team of specialists supporting us behind the scenes and policies and training that support decisions.

We believe school should be a safe and happy space for your children. That comes first before even learning...if you have any worries, wobbles, concerns, moans or complaints do come and talk to us. Often we can clear things up with a simple conversation or explanation.

Working together in partnership we want for your children to leave our school loving learning, understanding the difference they can make to people's lives and knowing how if they put their mind to it they can achieve their dreams.
